HEALTH CHECKUP

Good health is the key to a happy and fruitful life; it is also the most neglected asset. Our lifestyle today is ridden with unnecessary stress, irregular working hours, and poor eating habits, late night partying and inadequate rest. All these coupled with high pollution levels result in physical and psychological health problems.

At Seven Hills Hospital, a range of cost-effective health care packages are designed to suit individuals according to gender, age and requirements.

GUIDELINES FOR HEALTH CHECKUPS

- All Health Check-ups are scheduled with prior appointments only
- Minimum 12 hours of fasting is essential prior to the check-up.
- Avoid alcohol 3 days prior to the health check-up.
- Please take care of your belongings. Wear loose clothing, no Jewellery and easily removable footwear.
- Please do not wear contact lens on the day of Health Check-up.
- Avoid exercising before coming for check up.
- Please bring all your earlier (within 1-3 years) medical records and medical accessories if you have any like glasses, hearing aids, etc., when you come for the Health Check-up.
- If you are diabetic, avoid taking your insulin injections/anti-diabetic tablets on the morning of the Health Check-up. Please carry your insulin/anti-diabetic tablets which you can have before or after your breakfast in the hospital.
- Please carry other regular medication along with you, which can be taken as per the instructions by the consultant at the Wellness Department.

- Please inform the Wellness Department in advance if you want any additional investigations or consultations to be done.
- Tests like X-Rays are not to be done if you suspect a pregnancy.
- Please bring your morning urine/stool sample on the day of check-up in the container provided by the hospital.
- Urine routine and PAP smear test cannot be done during menses (periods) for females.
- Company sponsored clients are requested to bring referral letter.
- Collection of summary reports: Wellness Clinic reception between 10 am to 5 pm.
- In case you do not wish to undergo certain test/s mentioned in the package, the money will not be refunded.
